BEGONIAS - "CALIFLORA" Strain and Quality.

We will start shipping soon. Larger sizes are in short supply this year because of adverse growing weather. However, we are still booking orders for the 1-1 $\frac{1}{2}$ " and 1 $\frac{1}{2}$ -1 $\frac{3}{4}$ " sizes.

We are not offering European grown Begonias because those we saw in bloom from last years imported bulbs produced very poor quality flowers. There was no comparison with the much superior "Califlora" strain.

PRICES - If you have mislaid our recent Bulb price list please ask for another. All bulbs 250 at the thousand rate.
